

## **MDRC - Diabète Québec Pilot & Feasibility Grant Application**

**Application deadline:** January 10, 2018

**Release of funding decision:** February 2, 2018

**Funding:** February 5, 2018

**Funding amount:** Two (2) grants of 10 000\$ each, awarded yearly.

### **Eligibility criteria:**

- 1- The applicant must be a regular member of the MDRC.
- 2- The applicant must hold an independent Faculty position for no more than 15 years.
- 3- The research project cannot be funded by another source; the research project can be similar to one applied for (for example an aim of a CIHR grant or an innovative grant).

### **Required documents:**

- 1- Two (2)-page project description, excluding references, preliminary results and figures (if applicable); preliminary data are not required.
- 2- Complete Canadian Common CV, CIHR format.
- 3- A mini-budget.

The applicants must fill and submit the form available at [www.montreal-diabetes-research-center.org/en/research\\_funding\\_bourse1.asp](http://www.montreal-diabetes-research-center.org/en/research_funding_bourse1.asp). Priority will be given to projects showing innovative ideas and having the best chance of generating preliminary results that could be used for an operating grant application.
