

MDRC Postdoctoral Fellowship Application

Deadline: April 15, 2018.

Funding amount: One (1) fellowship of \$ 10,000 is awarded.

Eligibility criteria:

- 1- The applicant must belong to a lab for which the principal investigator is an active MDRC member.
- 2- The applicant must be enrolled full-time in a university program.
- 3- The applicant must not already be supported by a fellowship from a public or private foundation/association in the amount of more than \$ 10,000.
- 4- The recipient of the scholarship commits to present the work supported by the fellowship as a poster or oral presentation at the next annual retreat of the MDRC.

Required documents:

- 1- A presentation/motivation letter (one page max.).
- 2- A two (2)-page project description including figures (if needed), but excluding references.
- 3- Your CV.
- 4- A letter of support from her/his Principal Investigator.
- 5- A reference letter.

The applicants must fill and submit the form available at

www.montreal-diabetes-research-center.org/en/research_funding_bourse2.asp

The first four documents must be uploaded along with the application form, while the letter of reference must be e-mailed by its author to: isabelle.levesque.chum@ssss.gouv.qc.ca.

Only complete applications at the deadline will be considered. An evaluation committee will meet to review the application and assign the award.

Good luck to all.
